grater with food holder

The Microplane Home Series Extra Coarse Grater (\$14.95) grates soft cheese, chocolate, vegetables and apples. The attachment (\$4.95) holds food and protects your fingers while grating.

Microplane:

**Shirley Bruning,
LaQuinta, CA** "By placing small pieces of food into the grater attachment, I was able to grate all of the food, with no waste. The attachment also protected my fingers from the blade."

Suzanne Wasilauski, Slatington, PA
"The ease of use and cleanup make this my new go-to kitchen tool. It makes food prep fast and easy."

free grater & cash

Send us your best kitchen tips and hints. In this issue, the Tip of the Month receives \$100 and Microplane's Professional Series extra-coarse grater with a grater attachment. Other published tips receive \$25 and the grater. Send your tips to: Cook's Exchange, *Cooking Pleasures*, P.O. Box 3438, Minnetonka, MN 55343-2138, or editors@cookingclub.com (with "Cook's Exchange" in the subject line). Please include your membership number. We regret we cannot acknowledge submissions. Find Microplane on the Web at microplane.com.
