**Here's a freebie for sandal
season: Get a copy of Dr. Marc
Brenner's foot health awareness
booklet at
www.microplane.com/foothealth.**

**With pedicure dangers in the
news, Microplane® is a product to
be noticed. Use it on dry feet. An
ergonomic, green oval "canister" is
behind this stainless steel file to trap
and eye-popping amount of foot
flakes. That is so yuck to think
about, but you will be amazed.**
